To Whom It May Concern:

This letter is to verify that Moning Zhang and Jiaxin Li are students in good standing currently enrolled at the Dodge College of Film and Media Arts at Chapman University. They are working on a required project for FP 280 Intermediate Production with Professor Tom McLoughlin. This project, currently titled ***Like Father Like Son***, is scheduled to film November 8-9, 2019. This project is not for commercial purposes.

The Dodge College of Film and Media Arts is an accredited film school that enables students to successfully conquer the challenges and expectations of the film and television profession. In recent years, our reputation as a preeminent film school in the nation has grown because of the quality of students we accept and the successes of the films they make. These film projects would not be possible without the generous support from members of our community.

Thank you in advance for your assistance with this production. If you need any further information, do not hesitate to contact me.

Sincerely,

Eunyoung Kim
